<p><b>Adelante Healthcare</b></p> <p>In 1979, a group of dedicated community members in rural Surprise and El Mirage, Arizona saw that the health care needs of local farm workers were going unmet. These concerned citizens decided to join forces and apply for federal funding to build a community health center in El Mirage. The following year, a grant was awarded to establish Clinica Adelante's first health center. These humble beginnings formed the roots of our belief in sustainable health care and our ongoing mission to provide for those in need of quality health care. Today, Adelante Healthcare continues to offer patients affordable health care of the highest quality at seven locations throughout Maricopa County and surrounding communities.</p>	<p>Avein Saaty-Tafoya</p> <p>Carlos Casteneda 602 386-6848 ccasteneda@ahcchc.com</p> <p>Ellise Hayden 623 544-5170 Ehayden@ahcchc.com <a href="http://www.adelantehealthcare.com">http://www.adelantehealthcare.com</a></p>
